This is our new bi-weekly meeting series starting 8th March, until 1st July.

Our focus at these meetings will be:

- What did you do in the past 2 weeks
- What will you do in the next 2 weeks
- Removing any bottlenecks, impedances preventing you from making progress

All four members please join the meeting, if you miss then it will be a month when we see you again.

Please plan/prepare for the meeting - e.g. whose presenting, what are you presenting, mics/screen-sharing working etc. - we only meet twice a month there's no time to waste on technical bottlenecks.
