CDAP Individual Paper accepted to high h-index International Conference

General this is to inspire you guys.

A paper written from an individual component (4th member) of the 2020-June CDAP Group "ScheduleME" was recently accepted to ROCHI 2021 (International Conference on Human Computer Interaction) with a high h-index.

Dear Archchana, This group was supervised by Me, Samanthi and Veerandi. But she has left the organisation and we need your kind support for the NLP part. The supervision arrangement is quite similar to ALTER, Samanthi and I handle the HCI/CV parts, and we need a collaborator for the NLP part - thanks for agreeing to help.

Changes in Schedule due to Power Cuts

General Dear Prof/Dr/Colleague/Visiting-Lecturer/Students

As per SLIIT-NOTICE below (this is for 30.03.2022 and it will be different each day based on the CEB schedule), I will have to dynamically adjust my work commitments. I usually work about 12-14h per day, 7 days per week, otherwise I

All Started @ The PP1

General - dear students, all this started with the 50% progress presentations (PP1) except for Alpha Squad - who came from Mini Hackathon at CodeFest 2021. This time, we hope you will make the scoreboards! There's some pending feedback to give / rehearsals to be conducted for some groups, we will get those in today and tomorrow. Wishing you all the best.
